

## HUMAN SERVICES DEPARTMENT[441]

### Notice of Intended Action

**Twenty-five interested persons, a governmental subdivision, an agency or association of 25 or more persons may demand an oral presentation hereon as provided in Iowa Code section 17A.4(1)"b."**

**Notice is also given to the public that the Administrative Rules Review Committee may, on its own motion or on written request by any individual or group, review this proposed action under section 17A.8(6) at a regular or special meeting where the public or interested persons may be heard.**

Pursuant to the authority of Iowa Code section 249A.4, the Department of Human Services proposes to amend Chapter 76, "Application and Investigation," Iowa Administrative Code.

The proposed amendment limits the Medicaid expenses subject to recovery from a Medicaid member's estate. This amendment is intended to implement the Medicare Improvements for Patients and Providers Act of 2008, Public Law 110-275. Effective January 1, 2010, this legislation prohibits states from using estate recovery programs to recover Medicaid payments made for Medicare cost-sharing benefits under a Medicare savings program.

Coverage groups referred to as Medicare savings programs include qualified Medicare beneficiaries (QMBs), specified low-income Medicare beneficiaries (SLMBs), and qualified disabled and working persons (QDWP). Depending on the coverage group, Medicare cost-sharing may include Medicaid payments to cover a member's Medicare Part A and B premiums, deductibles, coinsurance, and copayments.

The cost of medical assistance is subject to recovery from the estates of Medicaid members who received benefits after the age of 55 or while living in a medical institution without the expectation of returning home. Under this amendment, the value of cost-sharing benefits paid on or after January 1, 2010, is excluded from the calculation of the cost of a member's medical assistance for purposes of the estate recovery program.

This amendment does not provide for waivers in specified situations because this exemption is a benefit to those affected.

Any interested person may make written comments on the proposed amendment on or before September 29, 2009. Comments should be directed to Mary Ellen Imlau, Bureau of Policy Analysis and Appeals, Department of Human Services, Hoover State Office Building, 1305 East Walnut Street, Des Moines, Iowa 50319-0114. Comments may be sent by fax to (515)281-4980 or by E-mail to [policyanalysis@dhs.state.ia.us](mailto:policyanalysis@dhs.state.ia.us).

This amendment is intended to implement Iowa Code section 249A.5(2).

The following amendment is proposed.

Amend subrule 76.12(7), introductory paragraph, as follows:

**76.12(7) Estate recovery.** Medical assistance is subject to recovery from the estate of a Medicaid member, the estate of the member's surviving spouse, or the estate of the member's surviving child as provided in this subrule. Effective January 1, 2010, medical assistance that has been paid for Medicare cost-sharing or for benefits described in Section 1902(a)(10)(E) of the Social Security Act is not subject to recovery. All assets included in the estate of the member, the surviving spouse, or the surviving child are subject to probate for the purposes of medical assistance estate recovery pursuant to Iowa Code section 249A.5(2) "d." The classification of the debt is defined at Iowa Code section 633.425(7).
